

# AtlasIED Rules

1. Our customers are the heart and soul of AtlasIED and will always be treated as such.
2. Our business will be operated with predictability and integrity.
3. Our people are empowered to solve problems in a timely manner.
4. Our sales programs and practices will provide our dealers consistent, long-term profitability.
5. Our products will consistently offer time and labor saving advantages not offered by “the other guys”.
6. Our customer service will be handled with honesty, accuracy, and enthusiasm.
7. Our branding efforts will consistently reinforce how innovative AtlasIED is while proudly referencing our 80+ year history.
8. Our product delivery system will be efficient and timely.
9. We are committed to being the easiest company to do business with.
10. See Rule #1.
