ASP-MG2240S

LED Diffusion "Enhanced Privacy In Use" Sign

ASP-MG2240S LED Off

ASP-MG2240S LED On

Features

- Clear Illumination Graphics
- Energy Efficient
- Long Lasting LED Design
- Wall Mount or Fits on a Single Gang Electrical Box
- Multi Orientation Mounting
- Low Voltage Design 10V DC

Applications

- Office Lobby Areas
- Conference Rooms
- Medical Facilities
- Pharmacies

General Description

The AtlasIED ASP-MG2240S Enhanced Privacy sign is used to inform the public that a Sound Masking system is in use for their security while having a private conversation. This wired privacy sign is designed to be integrated with the AtlasIED ASP-MG2240 Sound Masking Controller.
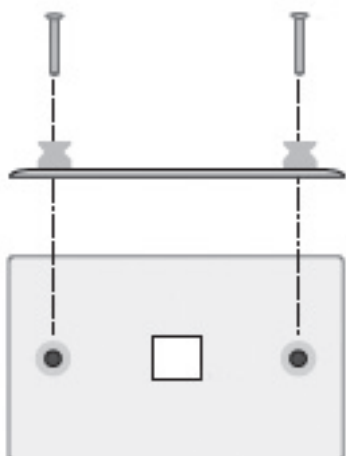

The ASP-MG2240S is a DC voltage powered Acrylic LED Diffusion type sign featuring a multi functional mount with an anodized satin aluminum finish. The ASP-MG2240 can be mounted a wall or to a single gang electrical box. The mounting hardware is included to support most installation requirements.
